

## DAILY SCHEDULES ON SAINT JOHNS BY CLYDE LINE

**Special to the News**  
Jacksonville, Oct. 22.—To the end that the shippers of fruit and truck crops within a radius of points on the St. Johns river easily accessible by truck may ship their products to the river landings and have them taken immediately for Jacksonville or points further north by water, the Clyde Line Steamship company has announced the inauguration of a daily passenger and freight service between Jacksonville and Sanford, effective within a few weeks.

Henry G. White, general agent of the Clyde Line, in announcing the daily schedule for river boats of the Clyde Line on the St. Johns, declared that shipments by water have increased materially in the last few weeks. The rapidly developing good roads system of central Florida enables shippers, it is pointed out, to move crops from the farm or grove to important river landings without difficulty, and this is bringing about an increasing desire on the part of producers to ship by water, to the end that they may get cheaper rates for their commodities destined to the Eastern markets.

The Clyde Line has also announced the inauguration of increased sailings between Jacksonville and New York and intermediate points, and this, it is held, will further facilitate the movement of much of Florida's crop by water, especially that from the eastern part of the state.

Realizing the importance of the water routes, the growers and shippers of central Florida have been holding frequent conferences and meetings with a view to impressing upon themselves the importance of the water shipping facilities at their command, and further to impress the Clyde Line with the importance of putting on a daily schedule on the river.

**Aviators Beat Tampa Stars**  
Tampa, Oct. 22.—Keeping the locals on their defensive throughout the game the Carlstrom Field aviators walked over the Tampa College Stars here today by the score of 13 to 0. Captain Vidal, West Point's former football marvel, was easily the star of the battle. He made one of the touchdowns with a sixty yard run. Following a bad snap back which he missed, Vidal darted back after the ball and scooping it up from the ground dodged through the entire

## MONTHLY MEETING OF CHAMBER WILL BE HELD TUESDAY

The first regular monthly meeting of the Palatka Chamber of Commerce will be held Tuesday evening at 8 o'clock at the Woman's Club when it is hoped that every member will be present, as well as many who are not already members and wish to join.

The meeting will be for the purpose of taking up regular matters, many of them of great importance, and mapping out plans for winter activities.

There are several matters of the greatest importance which the Board of Governors desire to place before the entire Chamber, and Secretary Hart has many valuable suggestions he wishes to make. Those who have not yet been canvassed for membership are urged to attend this meeting whether they have placed their applications or not, as they will be given ample opportunity to join. The committees soliciting membership have found it impossible to see everybody, so no one need feel slighted.

**Tampa field for the touchdown.**  
Nance playing right half for the Tampa team, was injured during the second quarter by a blow on the back of his neck. He was taken out of the game and removed to a hospital where it was learned his condition was serious.

**Palmetto and St. Pete Tie**  
Palmetto, Oct. 22.—Palmetto High and St. Petersburg High played a scoreless tie here today. The play was in mid-field most of the time.

**Orlando Crushed DeLand**  
Orlando, Oct. 22.—Presenting a rejuvenated offensive and defensive play the Orlando High eleven crushed DeLand High here this afternoon 28 to 0. Orlando's goal was threatened only once.

**Tennessee Beats Florida**  
Knoxville, Oct. 22.—Tennessee used only straight football and an occasional pass in defeating Florida 9 to 0 today. The Gators presented a good defense against plunging but failed to cover against the overhead game. The Tennessee touchdown and safety came as the result of passes. Florida was not dangerous at any period, penetrating only once inside the Volunteer 30 yard line, where a field goal was attempted without result. Campbell punting for Tennessee, averaged better than 50 yards on 14 exchanges.

**Duval Has Easy Time**  
Jacksonville, Oct. 22.—The fluke recovery of a pun tin the first period gave Duval High schools football team a lead over Charleston, S. C., High here today and spectacular end runs by Brown and Thomas netted two more touchdowns, Duval winning 21 to 3. Charleston made steady gains through Duval's line and by short forward passes but lacked the punch to carry the ball over. Twice in the first period the visitors carried the ball to Duval's three yard line. Charleston kicked a field goal in the third period after they had steadily worked the ball to Duval's twenty yard line, but realized that they could hardly go across.

**Rollins Rolls Stetson**  
DeLand, Oct. 22.—The Rollins eleven defeated Stetson 13 to 0 here today in a contest which plainly showed the superiority of the visitors over the Hatters in team work. Stetson played in hard luck all through the game with all the breaks against them, Rollins being fortunate in recovering its own fumbles and profiting by those made by Stetson. An unusual number of injuries resulted, both elevens having to substitute many second string players for men who were forced to leave the game.

**Leon Ties Thomasville**  
Tallahassee, Oct. 22.—Leon High and Thomasville High played a 7 to 7 tie game here today. The locals kept the ball near the Thomasville goal most of the time but because of penalties, which came at inopportune moments were unable to score further.

**Ocala Swamps Sanford**  
Ocala, Oct. 21.—Ocala High defeated Sanford here today by a score of 35 to 0, in the first football game played in Ocala this season. Ocala seemed to be better trained than the visitors and Sanford called for time out several times.

**POST OFFICE DISCONTINUED**  
Jacksonville, Oct. 22.—The post office at Tiger Bay, in Polk County, was ordered discontinued today by the Post Office Department, according to a dispatch received by the Florida Times-Union from its Washington correspondent.

## Shippers Face a Shortage in Cars to Move Oranges

(By Associated Press.)  
Orlando, Oct. 22.—At a meeting of railroad representatives and shippers here today, it was brought out that there are only 5,000 refrigerator cars available to move the estimated 18,000 car loads of fruit from this section this season. The need of refrigerator cars to move the western crop was assigned as the cause of the shortage and the shippers were asked to use ventilated cars as much as possible.

## Over Million Post Cards Sent Out of Jax During Month

(By Associated Press.)  
Jacksonville, Oct. 22.—National post card week which closed tonight saw probably the greatest deluge of post cards from Florida to cities in the middle western states ever mailed from the state. Figures available tonight show that Jacksonville alone forwarded 1,100,550 cards to the following cities in order leading, leading the points to which they were mailed: Indianapolis, Dayton, Springfield, Battle Creek and Cedar Rapids.

**MARION JENNINGS TO BE  
A SPEAKER NOVEMBER 11**  
Definite assurances from Marion Jennings, speaker of the Florida House of Representatives, has been received that he will be here to deliver an address on Armistice Day under the auspices of the Bert Hodge Post American Legion.

Mr. Jennings is one of the most gifted speakers in the state and both he and Governor Hardee will have prominent places on the program.

without accepting the opinion that "savings made in the matter of wages and costs" since 1920 entirely justified the grain reductions, held that "those savings with further prospective savings do in my opinion justify our findings."

"The carriers tell us they are now paying extravagantly high wages," Commissioner Potter held. "If we may rely upon their statement in this regard they are not operating their properties effectively and economically and therefore operating costs may be further reduced. We have no jurisdiction over wage controversies but we may take note of the admission of the carriers and require them to find out whether their wage scales are too high and to lower them if they can."

**WOODMEN OF WORLD**  
Regular meeting Woodmen of World Tuesday the 25th. All members requested to be present.

**WARD CIVIC CLUB**  
Following Mayor H. M. Fearnside's urgent appeal for "Clean Up Week," Mrs. W. N. Gross, chairman, and Miss Josephine Hoxey, assistant chairman, request a parkway campaign to plant hyacinths or red eleanders on all parkways in Ward Two, from October 22 to November 22, to be "Flower City Beautiful Week."

Miss Mary Ruth Woodruff, secretary of Ward Two, is calling a meeting of the young members of the court house Tuesday afternoon at 4 o'clock.
